Sir:

In response to the Official Action dated 6/15/2006, kindly consider the following remarks.

Remarks

Reconsideration and allowance of the above-referenced application are respectfully requested.

Claims 1-20 stand rejected under 35 USC 103 as allegedly being unpatentable over Crill in view of Hess. With all due respect, this rejection does not meet the patent office's burden of providing a prima facie showing of unpatentability.

To reiterate statements made previously in the case, and statements that were apparently found to be persuasive during the appeals conference, Crill does
